PRESENTATION OF

YOUR HOST

Welcome to my place! I am Feel, dedicated to making your stay memorable and comfortable. The Feel Timber House is not just a guest house for me, it’s my home and passion, a child’s dream. Having grown up in this picturesque region, I have always been passionate about this natural environment and its culture. After years of traveling and exploring around the world, I decided to return to my roots and share my love for this land with my hosts.

ABOUT

THE HOUSE

Welcome to the Feel Timber House, a fuste house built with local essences — Douglas and Spruce du Morvan. This warm and authentic accommodation welcomes you in a shared space, designed as a peaceful retreat in the heart of nature.

You will find a comfortable mezzanine that can accommodate 2 to 4 people, a beautiful bright living room and a well-equipped bathroom, for a simple but unforgettable stay. Whether you enjoy the terrace or the garden, you will feel at home.

Inspired by the spirit of the Spanish inn, the Feel Timber House focuses on conviviality and sharing. It is an ideal refuge for cyclists roaming on the GTM or the GTMC, but also for hikers and trekkers in search of a warm and functional stop. Dinner, breakfast & your packed lunch will allow you to better approach your next step.

Gourmet break at the Feel Timber House
When time slows down and the flavors comfort... I also propose to you:
Breakfast in the morning calm – **10 €**
Still warm bread, homemade jams with forgotten fruits, golden honey from the neighboring hives, steaming coffee, fragrant tea or soothing infusion...
A sweet treat to awaken the senses and welcome the day. By reservation.
Quiet evening dinner – **€20**
Around the table, local products, simple recipes with regional notes, sometimes a dinner aperitif, sometimes a simmered dish... We share, we savor, we exchange, we laugh. A meal like a suspended moment. By reservation.

Drinks to enjoy without haste:
Beer of the moment – **€3.50**
Glass of wine – **€3**
Bottle to prolong the moment – **€12**
Still or sparkling water – **€1.50**

Coffee, tea or herbal tea – **€1.50**
Served in the shade of the stove or in the morning sun, depending on the time, the desire... and the season

Here, we take time. The one to eat well, to meet up, to breathe...
